About the Department

The Department of English was established in the year June, 1976 with vision to improve linguistic competence of English of the nearby rural area.

It facilitates extensive use of Information Communication Technology (ICT), which includes use of computer aided teaching/ learning materials by its staff. The department has an adequate collection of the teaching materials in the form of books, C.D. /D.V.D. etc. The department has also established Digital Language Laboratory for imparting the written and spoken skills of language and communication skills. Our department has teaching and learning modules, soft-wares to optimum use of technology in the independent learning of students. At the department, students are also encouraged to make use of L.C.D. Projectors for their presentations, seminars and workshops. Teachers of the department are trained for preparing their own teaching material and trained to operate the ICT effectively in teaching-learning process.

About the College

M. S. Kakade College, Someshwarnagar was established in order to cultivate the young minds and provide higher education to the students from poor farming masses and backward classes. The Institution is surrounded mainly by the agricultural and socio-economically backward community. The idea of the welfare of entire community in the area was the integral dream of the Founders of the College.

The Institution tries to perform a key role in Human Resources Development. The sincere efforts are made to foster the global competency among the students. The Institution has constantly endeavored to inculcate a value system among the students in relation to the social, cultural, economic and environmental realities. The mission statement of the college is to "To Create Youth of National Character".

About the Seminar

Today, teachers of English language face many difficulties as they come across students from heterogeneous backgrounds and communities in the classroom. Therefore, they have to use a variety of innovative techniques and technologies in order to make their teaching of the language and literature more effective, entertaining and smooth activity.
