Invitation:

Dear Sir/ Madam,

M. S. Kakade College in collaboration with National Assessment and Accreditation Council (NAAC), Bangalore, has planned to organize Two-Day National Seminar on "Opportunities of Revised NAAC Assessment and Accreditation Process" on 15th & 16th February 2019. We are pleased to invite you to register, participate and contribute to make the event a success.

About the College:

Education is the driving force of human development and significant for nation building. The all-round development of individuals and nation require building a strong foundation of education in our country. With this purpose, M. S. Kakade College, Someshwarnagar was established in June 1972 to impart quality education to the poor farming masses. The Institution has been consistently endeavoring to create the youth of a national character by conducting various academic, co-curricular and extracurricular activities. Our Institution tries to perform a key role in Human Resources Development. The sincere efforts are being taken to foster the global competency among the students. The Institution has constantly endeavored to inculcate a value system among the students in relation to the social, cultural, economic and environmental realities. As the result of our sincere efforts, our college has been accredited with 'B++' Grade by National Assessment and Accreditation Council (NAAC), Bangalore for the 3rd Cycle in October, 2017. One more feather is added in our cap by Rashtriya Uchcharat Shiksha Abhiyan (RUSA) sanctioning of grants of 2 crores to our college in July 2018.

About the NAAC

The National Assessment and Accreditation Council (NAAC) is an autonomous body established in 1994 by the University Grants Commission (UGC) of India to assess and accredit Higher Educational Institutes in the Country. NAAC evaluates the Institutions and its performance related to the educational process & outcomes, Curriculum, Feedback System, Teaching-Learning Process, Research and Innovations, Infrastructure, Learning Resources, Student Support and Progression, Governance & Financial well-being and Institutional best practices in the regular functioning of educational institutes. It enables the educational institutes and its stakeholders to identify their strengths, weaknesses and opportunities to fulfill academic aims and objectives. Thus, NAAC is an autonomous and independent body functioning for quality education in our country.

About the College IQAC :

The College has established actively functioning Internal Quality Assurance Cell (IQAC) in 2004 to channelize and systematize the efforts and measures of the college towards academic, administrative and infrastructural excellence. Along with academic excellence, our IQAC emphasizes on infrastructural requirements, building linkages, research development, submitting proposals for workshops, seminars and development grants of different bodies. The prime task of our IQAC is to develop a system for conscious and consistent efforts to catalyze improvement in the overall performance of the institute.

About the Seminar :

The National Assessment and Accreditation Council (NAAC) has brought in new spirit into Assessment and Accreditation with the revised framework effective from July 2017 making it more robust, objective, transparent, scalable and technology enabled. Even, the Indian Higher Education System is in a constant state of change and flare due to the impact of technology and globalization. The major changes in the revised accreditation process are System Generated Score (SGS), Third Party Validation of Data, Qualitative & Quantitative Metrics and Student Satisfactory Survey (SSS), reduction in number of questions, size of (SSR) and Peer Team Visit Days, Off Site Evaluation Process for 4th cycle and increased participation of students and alumni in the assessment etc. are some of the redeeming features of revised NAAC Assessment and Accreditation framework. This two day national seminar intends to offer a platform for deliberations on overall Accreditation process. With this purpose, our college is organising the Two Day National Level Seminar in association with NAAC on " Opportunities of Revised NAAC Assessment and Accreditation Process".

Objectives of the Seminar :

1. To provide a platform for all the stakeholders of the institutes to exchange their ideas and thoughts about the NAAC's Revised Accreditation Process
2. To discuss the evaluation process & reforms in the Higher Education
3. To deliberate upon the present scenario and challenges before Higher Education in India
4. To stimulate an academic environment for promotion of quality in regular functioning of educational institutes.
5. To take review of seven criteria in the NAAC's Revised Assessment & Accreditation Framework
6. To deliberate upon the paradigm shift in the NAAC's Revised Assessment & Accreditation process

Theme of the Seminar :

"Opportunities of Revised NAAC Assessment and Accreditation Process"

Sub Themes:

- Assessment & Accreditation: Basics and Benefits to Higher Educational Institutes
- Role of NAAC in the Development of Higher Education in India
- Review of Seven Criteria in the new Assessment & Accreditation Process
- Objectivity & Transparency in the Revised Assessment & Accreditation Process
- Process of Students Satisfactory Survey
- The changing Role of IQAC in the Revised Accreditation Process
- Increased participation of stakeholders in the Revised Accreditation Process
- Any other related topics to the broad theme of the seminar.

Who Can Attend / Target Groups

Principals, IQAC Co-ordinators and Members, Administrators, Students and Faculty Members from all disciplines.

Call for Papers:

Original and unpublished research papers on the given topics are invited from those who are interested to present their papers in the seminar. But, papers should focus on given broad theme & sub themes for seminar. Research Papers should be mailed to sanjupadhav@gmail.com on or before 31st January 2019.

The selected papers will be published in online UGC Listed Journal.
